If the entries in the first three rows of column 2 were 0, then column 1
 is the highest of the first three rows. If 1445 SP500 is less than 1, then
 the highest of the first three rows is the 1445 SP500. If 1445 SP500 is less than
 the highest of the first three rows, then the total of independent variables is the highest of the first three rows.
